Value Added Course on “Environment and Sustainable Development” Conducted by Bangabasi Morning College on and from 19 June 2023 to 30 June 23

A Value-Added Course on “Environment and Sustainable Development” was conducted by Bangabasi Morning College on and from 19 June 2023 to 30 June 2023 in the session of 2022-2023 to enhance knowledge about environment, skills, values and agency to address interconnected global challenges including climate change, loss of biodiversity, unsustainable use of resources and inequality. The entire programme was conducted at college premises in offline mode. 355 students in total registered for the course on first come first served basis and 100% of them completed the course in four batches. In this 30-hour course all the participants interact with each other as well as with the resource person(s) and they discussed about sustainable development and citizens’ role in it. The desired outcomes of the course encompass awareness about environmental conservation, economic prosperity, social equity and poverty reduction and ensure the lasting protection of the planet and its natural resources.
