One-day Chemistry workshop on 'Zinc Oxide Nano-material synthesis and their characterization' was jointly organized by Department of Chemistry, Bangabasi Morning College in collaboration with Department of Chemistry, Muralidhar Girls' College on 23rd December, 2023 at Chemistry laboratory of Bangabasi Morning College campus. The workshop had been organized with an aim to motivate students in the field of Nano-technology, a newly developed interesting technology to be utilised in daily life and everyday consumer products. In this technology, nano-sized inorganic materials have been used which show remarkable efficiency in different field. The students were enjoying lots with several new laboratory experiments such as nano-sized material synthesis, material collection through centrifugation, UV-Vis spectra measurement from UV-Vis double-beam spectro-photometer, which was purchased from RUSA scheme. At last, band gap and particle size of the synthesized material have been calculated from UV-Vis spectral data. Total 16 students and 6 faculty members of both colleges have participated. The encouragement and financial support from the college authority have to be mentioned.
