7.2.1 - Describe two best practices successfully implemented by the Institution as per the NAAC format provided in the Manual.

Best Practice- 1

Title of the Practice: INCLUSIVENESS THE WATCHWORD, QUALITY THE PRINCIPLE

Objectives of the Practice: This practice works on the principle that maintaining quality is imperative in higher education; the objective is to extend its opportunity to all socio-economic sections of society with the intended outcome that potential – academic or otherwise – among the youth should be realised.

The Context: In a metropolitan ambience, the toughest challenge is cut-throat competition, in the face of which, the needy students are deprived and thus, eliminated. Creating an atmosphere of belongingness for all aspirants of higher education is thus, extremely crucial.

The Practice: Students seeking concession towards Tuition Fees are given the facility subject to fulfilment of the eligibility criteria for the same; they are provided with books and study materials from the Students' Aid Fund. This ensures that students whose parents/ guardians cannot afford to pay the required fees for higher education and are unable to purchase expensive books are not left out of the system. The challenge often is to ascertain that the distribution of such resources is in the right places where they will be properly utilised.

Evidence of Success: Through nearly six decades of its journey, Bangabasi Morning College has consistently admitted and nurtured the potential of students from economically weak strata; not only has it opened the doors for academic progress, but in its turn has reciprocated the gesture of inclusiveness through responsible social work in myriads of ways.

Problems Encountered and Resources Required: Our country has millions of people who are deprived of their basic necessities for survival. To cater to their survival and upliftment needs, a larger participation is required, i.e. more students need to be included. The students, themselves, are vital resources and if such living resources remain indifferent towards social causes, it is indeed a problem.

Best Practice- 2

Title of the practice: HOLISTIC DEVELOPMENT

Objectives of the Practice: The practice ensures that students are not just one-dimensionally academic in their approach and outlook but look to contribute to larger social causes by getting collectively involved in activities that serve our community at the grassroots level. Their extra-curricular activities and hobbies are also facilitated and encouraged.

The Context: In a rapidly changing world, one has to learn consistently to adapt and grow and this growth cannot be restricted to the ivory tower of mere academics. There is a lot of social learning that contributes to the collective health of the community in particular and of the nation in general. Social awareness and large-scale dissemination of knowledge on various relevant present-day topics are the need of the hour.

The Practice: The NSS wing of our college has played a pivotal role in this regard. It has organised a tree plantation programme over a week-long period from 24th to 30th March 2023. A youth survey on 'Youth not in Formal Education or Regular Employment' was conducted at different places like the adopted village Tapuriaghata, Sealdah area and slums near the Noapara dumping site. The Cleanliness Drive Programme in collaboration with Mittika Earthy Talks, Yoga Session at Dhapa, Blood Donation Camp and adult literacy programme were organised. NSS Volunteers visited Lady Dufferin Victoria Hospital for a survey on immunisation. A felicitation programme along with a session on E-waste in collaboration with Hulladek was organised. Week-long National Youth Day was observed from 12th January to 19th January through tree plantation, blood donation camp, cleanliness drive programme, drawing competition, a talk show on Empowering Youth through NSS, a session on eco-bricks, cultural programme and felicitation. NSS volunteers organised different awareness programmes like Nukkad Natak on human trafficking and Cleanliness. Door-to-door awareness and rallies on blood donation camps, Poshan Abhiyaan, child immunisation, climate change and mission life, and saving energy were conducted. NSS volunteers made digital posters on drug abuse, thalassemia, dengue and malaria; they provide free education sessions in the Sealdah area and also in the adopted villages (Tapuriaghata, Makaltala and Notun Pally). Ms The NSS unit of Bangabasi Morning College was invited to a workshop on Anti-Tobacco Day

organised by Education Society College. NSS volunteers participated in the felicitation programme of the toppers of Madhyamik, H.S., CBSE, ICSE, ISC and AISSE exams. NSS Volunteer Mr Sahil Ansary took part and represented West Bengal in the National Conference held at IIC, Delhi. NSS volunteers along with the Programme Officer were invited to the Neighbourhood Youth Parliament at the District Level organised by NYKS.

Evidence of Success: The feather in the cap for our NSS unit was the opportunity to send Ms Rashida Khatun to the Republic Day Parade Camp at Kartavya Path, Delhi from 1st January to 31st January. Our Two NSS Volunteers Mr Chandan Roy & Mr Imroz Mallick received the Best Volunteer Award from the Department of Higher Education, Govt. Of West Bengal for two consecutive years 2020 - 21 & 2021 - 22. Our NSS Programme Officer Dr Tulika Chakravorty received Best Programme Officer award from Department of Higher Education, Govt of West Bengal for the year 2021-22. NSS Volunteer Ms. Smarita Majumdar selected for participating in Republic Day Parade Camp 01-31 January, 2021 for marching on Kartavyapath, New Delhi. NSS volunteer Subhadeep Ghosh was selected to attend the National Youth Festival held on 26th January. Our NSS Programme Officer (PO) attended an exchange programme between India and Japan organised by Lee Collings High School. On National Unity Day, our PO was invited as a Resource Person in a National Seminar to deliver a talk show on the "Role of Sardar Vallabhai Patel in National Integration" organised by IQAC in collaboration with the NSS unit and Dept of Political Science, SSSVS Government PG College, Chunari, Mirzapur, UP.

Problems Encountered and Resources Required: There is an acute shortage of confident speakers among students; thus, to spread awareness regarding some current, burning social issue or public event, aspects of physical and mental health, environment, etc, either faculty members of our college or invited resource persons with specialised knowledge and expertise in their respective areas have to step forward and contribute.
